

MOM'S DEVEILED EGGS

INGREDIENTS

8 egg yolks, mashed
1/4 cup finely diced dill pickles
(I normally use hamburger dill pickle slices)
2 Tbs. dill pickle juice
1/4 cup mayonnaise
1 tsp. yellow mustard

The amount of pickles, juice, mayo, and mustard can be adjusted to suit your taste.

DIRECTIONS

Hi Jen, Until today, I have never measured the ingredients that I use for deviled eggs, but this time I wrote down the amount that I used for each ingredient.

First, I boiled 8 large white eggs. After cooling them in ice water, I halved them and removed the yolks.

I mashed all the ingredients together with a fork. Then I filled each egg half with about a tablespoon of the filling. I lightly sprinkled the tops with paprika. I usually leave a few without paprika in case some people (especially children) don't like it.

Make 16 deviled eggs

Enjoy!
Love, Mom

My mom is an incredible seamstress. She even made my wedding gown. Easter was a holiday she intended to always make special. One year she designed pastel Easter dresses for me and my sister. Mom always had a gallon of good Southern sweet tea in the fridge after church and of course these yummy deviled eggs! This is a note from my Mom, who lives with a gracious and loving Easter heart.
