

TOMATO, BASIL MOZZARELLA SALAD

INGREDIENTS

Cherry tomatoes (*I like to use the carton with the mixed colors of red and yellow but any will do*)

1 bunch fresh Basil

1 fresh mozzarella ball

DIRECTIONS

Wash and cut the tomatoes in half and place in a salad bowl. Chop and add the mozzarella ball into small bite size pieces. Take scissors and cut thin strips of the basil on top to taste. I like lots of Basil so use 4-5 leaves for a small carton of tomatoes.

Drizzle olive oil and balsamic vinegar on top with salt and pepper. Toss and serve with crusty bread or grilled chicken.

DRESSING

Balsamic vinegar

Olive Oil

Salt and pepper
